Translation:

- 1) I am singing news of great holy tidings. Lord Nityānanda Himself has opened a market-place of the holy name in Surabhi-kunja.
- 2) He is selling the pure holy name in that market-place for the price of only one's faith.
- 3) Lord Nityānanda, seeing all the devotees becoming attracted, is selling them the holy name after bargaining with them.
- 4) O brother, if you want the holy name then come with me. We must go to that great soul, Nityānanda.
- 5) You will get the name of Käñëa, I will take my commission and all of our desires will be fulfilled.
- 6) Lord Nityānanda is greatly merciful. Taking only one's faith, He gives the highest ecstasy.
- 7) If He sees only once tears in the eyes while chanting the name "Gaura" then He gives everything to that person.
- 8) He gives the pure teachings of Käñëa to everyone not caring for their birth, wealth, knowledge and strength.

9) Now, giving up the illusory snare of Māyā, either remain in household life or in the forest as a sannyasi, for no more troubles remain.

10) There is no more fear of the age of Kali. the merciful Nityānanda gives the holy name to even the candalas.

11) Bhaktivinoda calls out: "Except for the lotus feet of Lord Nityānanda there is no other shelter!"
