Translation:

1) In Nadéyā's Godruma the great soul Lord Nityānanda has opened a marketplace to sell the holy name to the conditioned souls.

2) (O faithful people, O faithful people,) O my brothers, by the Lord's command I ask this charity of you: Please chant, "Kāñēa!", worship Kāñēa, and learn and teach about Kāñēa.

3) Chant Kāñēa's name without offense. Accept Kāñēa as your mother. Accept Kāñēa as your father. Accept Kāñēa as your wealth and your life.

4) Give up all sins. Make Kāñēa your whole world. Be merciful to all souls. Chant Kāñēa's names. That is the essence of all religion.
